St Joseph, just as you love Mary, and with fatherly care you watched over Jesus, we ask you through Jesus to continue to care for us and our families from your home in heaven. Amen
A MESSAGE FROM THE PRINCIPAL

Welcome to St Joseph’s School. Thank you for taking the time to explore the programs our school has to offer. St Joseph’s has been meeting the educational, spiritual and pastoral needs of children in the Goldfields since 1898.

Our school has a warm, intimate and friendly environment where all children are challenged to reach their potential in a Catholic context. At St Joseph’s your child is in the care of our highly professional and dedicated staff.

In an increasingly complex and challenging world, the education of our students is grounded in Gospel values, and spiritual and faith growth is in synergy with academic achievement and development of social skills and confidence.

Positive and harmonious unity between students, parents and teachers and all members of our school community is promoted and nurtured through understanding, compassion, respect, love of others and a shared love of God.

I warmly invite you to discover more of how St Joseph’s School makes education an enjoyable and richly rewarding experience for its students.

Mrs Miranda Swann
Principal
The information in this booklet is designed to assist families with students enrolled at St Joseph’s School to understand the aims, routines and procedures and to enable the home and school to work together for the good of all students in our community.

Annual updates and weekly newsletters will help to keep you informed about changes in policies and procedures.

**Principal:** Mrs Miranda Swann  
**Parish Priest:** Fr. Andrew Bowron  
**Assistant Priests:** Fr. Okwudili Ebede Hyginus  
Fr. Mark

**TERM DATES FOR 2015**

**Term 1**  
Students: Monday 2 February - Thursday 2 April  
Teachers: Thursday 29 January - Thursday 2 April

**Term 2**  
Students: Tuesday 21 April - Friday 3 July  
Teachers: Monday 20 April - Friday 3 July

**Term 3**  
Students: Tuesday 21 July - Friday 25 September  
Teachers: Monday 20 July - Friday 25 September

**Term 4**  
Students: Monday 12 October - Friday 11 December  
Teachers: Monday 12 October - Friday 18 December

1.1. VISION
St Joseph’s School Boulder is a dynamic and positive establishment that focuses not only on the Catholic values of trust, respect and love for all, but on the ability to mold a future generation of self-assured, confident, honest and enthused individuals.

We pride ourselves on our proactive approach to teaching and learning with an emphasis on students being engaged at all times, being accountable for their own learning and being confident and self-assured lifelong learners. Students participate in varied activities that are targeted at their individual needs and learning styles. Students are given support that is well researched and monitored. Identified students have access to Reading Recovery and specialised remedial programmes. Students that show a particular talent have access to innovative extension activities, where their ideas will be challenged and extended. We follow a sequential, well planned and age appropriate structure of new skill attainment based on the Australian Curriculum, WA Curriculum and best practice. Students learn from varied teaching styles and strategies such as explicit teaching, collaborative learning, De Bono’s thinking hats, inferential reasoning and problem solving. Staff continue on their own professional development journey and new teaching and learning is shared.

Students and staff are kept abreast of new technological developments. We insist on the latest in computers and relevant educational programmes for all students, which are continually updated and maintained by our technicians. Priorities include ongoing training in developments in Smartboard technologies and the creation of engaging and interactive electronic resources by our fully trained staff. We promote and encourage the use of state of the art whole school programmes, both in and out of school to interact with our worldwide connections and to broaden our technological horizons.

We value regular feedback. All staff are involved in formal, regular evaluation and feedback meetings where an atmosphere of respect and ongoing growth is a priority. Communication is open, honest, valid and timely. Privacy is respected at all times. Staff are notified of necessary information about individual students and families. We take pride in providing a safe, positive and encouraging atmosphere where staff and students are made fully aware of our behaviour management practices. These have been created to ensure that staff and students alike feel valued and have the enthusiasm, support and commitment to continue in the positive steps we are taking to create a safe and nurturing learning environment.

Staff are chosen for the dedication, skills and experience they bring to our school. We welcome them with a full and detailed induction procedure which enables them to fully comprehend our routines, policies and procedures, both in writing in the form of an induction package and in a group forum situation. Our supportive and knowledgeable Leadership Team, along with mentors, take new staff through the procedures and documentation necessary to maintain a safe and productive learning environment. All staff continue to be fully supported by our formal mentoring and informal buddy programmes.
We share an enthusiasm to work together. The school and parish work closely together to ensure faith development is meaningful and age appropriate for our children. Our church, school and parish cultures create opportunities for youth, family and staff to work together in faith based activities and other community projects, as we build academic excellence.

We, the staff, parents and students of St Joseph’s School offer our commitment, dedication, respect, hope and vision to you to unlock your full potential.

1.2. VISION STATEMENT

St Joseph’s Boulder
aspires to enable all members
of our school community
to fulfil their potential as Christians in society
by promoting a sense of self-worth
and fostering qualities
that reflect Catholic values.

1.3. CORE VALUES
Our core values are our stance as a school and they emulate the stance we take with each other as a member of the St Joseph’s community. In essence, the core values depict our culture; a culture that every member of our school is responsible for.
Our Core Values are as follows:

• We hear, we listen and we learn.
• We accept and learn from our mistakes.
• We are open and honest without fear of condemnation.
• We strive to be the best we can be.
• We walk in the footsteps of Jesus.

1.4. SCHOOL’S MOTTO & CREST
The head-frame is symbolic of the mining industry which has been the major focus of the majority of people in the Goldfields for over the last one hundred years. The cross symbolises Christ as the center of school life.

The school motto - **Sharing is Caring** - accurately describes the unique pastoral care that is freely given by all members of the St Joseph’s School community and emulates the Josephite tradition of seeking out the underprivileged and minority groups in order to provide assistance to those in need.

1.5. ST JOSEPH’S SCHOOL HISTORY
The first St Joseph’s School was established in the Kalgoorlie Goldfields in 1897 at Kamballie by three Sisters of St Joseph of the Sacred Heart (Ursula, Martha and Magdalen) sent here by Bishop Gibney. However, the present St Joseph’s School traces its origins back to the All Hallows School which commenced operation in Wittenoom Street, Boulder in 1898 and was also founded by these same Sisters.
The relocation of St Joseph’s School from Wittenoom Street to the Burt Street site in 1996 was the third rebuild of the school in its one hundred year history, the school having been destroyed twice by cyclones in 1903 and 1928. Although the children were in the building when it was totally destroyed by the cyclone in 1903, remarkably none of them were injured. When the school was destroyed a second time in 1928, a former state school building in Brookman Street was used for 20 years until 1948 when a brick building was constructed back on the Wittenoom Street site. This building and the surrounding playground was auctioned and sold in 1995, necessitating the re-building of the school on the present site. St Joseph’s School has been well served during its 118 year history by the Sisters of St Joseph. For the majority of the school’s history the Sisters have provided the Principal and entire staff of St Joseph’s Boulder.

A practical recognition of the tradition of the Josephites in the school has been made by naming the various buildings at the new school after the Josephite Sisters.

**MacKillop Block** has been named after Blessed Mary MacKillop, Australia’s first Saint, and the founder of the Josephite Order who, in her living of the Gospel, recognised and valued the human dignity of each person.

**Ursula Block** is named after Sister Ursula (Mary) Tynan, who led the first Josephite foundation to the West. Sister Ursula arrived in Geraldton in 1887 and moved to Northampton in 1888 to start a school there. With the decline in mining in Northampton, Ursula and two other sisters were sent by Bishop Gibney to the Kalgoorlie Goldfields, arriving by train in 1897. Ursula started a school at Kamballie, in February of that same year. The school in Wittenoom Street was started by Ursula the following year and she played a hand in setting up a school at Brown Hill in 1899. She was continually trying to improve the conditions for the Sisters and was responsible for organising the funds needed for the building of the convent in Moran Street. Ursula became ill and was in hospital in Kalgoorlie at the time the new convent was blessed and opened in September 1904, dying in hospital in October of that year.

Ursula, the first Principal of our school, was also the first Sister of St Joseph to be buried in Kalgoorlie. She continues to be a wonderful example of the selflessness, determination and enthusiasm of the Josephites in the face of adversity that has been present in our school from the beginning.

**Celsius Block:** These buildings were brought across from the Wittenoom Street site and were originally dedicated to Sister Celsius in 1992 at the opening of the Pre Primary. Sister Celsius was Principal and Convent Supervisor from 1967 – 1972, at a time when the school offered education from Year 1 - 10. Sister Celsius returned to the Goldfields in 1980 and taught at Prendiville for four years. In 1986 Sister Celsius returned again as a home school Liaison Officer at John Paul College. Her gentleness, dedication, enthusiasm and respect for each person provide a Christian example for our students. Sr Celsius passed away in 2005.

The current building facilitates a developmental approach to education through the use of collaborative structures. The more harmonious environment, the greatly improved facilities and the more expansive recreational area proves to be integral in our plans to improve the quality of education being offered to our students.
In 2005 the All Hallows Church, Kalgoorlie-Boulder was built on our site. We thank the Rew family for their generosity in providing funding to once again link the Parish Church with St Joseph’s School. We also acknowledge the original custodians of the land, the previous parishioners of the Boulder Parish and the current members of the Kalgoorlie/Boulder Parish for their contributions to our church, school and faith.

**Wittenoom Library**: In 2010 the new library block was opened, funded by the Federal Government *Building the Education Revolution* money. The Wittenoom Library was named after the old Wittenoom Street school at which three generations of pupils studied in the past. We wished to recognise our links to the Boulder community and the Sisters of St. Joseph’s in the naming of this building.

**Kamballie Grandstand**: In 2010, funded by the Federal Government *Building the Education Revolution* grant, the school doubled the size of its old assembly area and created a large undercover area. Attached to this area is a modern multipurpose room and toilet facilities. The name Kamballie Grandstand is linked to the Sisters of Saint Joseph’s as Kamballie was the site of the old straight of the Boulder Race Course. In fact, the children are called to school each day with a bell which came from the old Wittenoom Street school. They, in turn, were gifted it from the Boulder Race Course when it closed. This bell was used to start the races.

2. PARISH
The Parish and School enjoy a very close and harmonious relationship. Our Parish Priest is an important member of the community and as such is invited and welcomed into our school. The Parish offers many opportunities for faith, reflection and Christian action, including important missionary activities.

St Joseph’s School supports Caritas with Project Compassion, fundraises for the Archbishop’s LifeLink appeal, which is the Catholic agency that supports thousands of Western Australians in need and, at the discretion of the Principal, makes small contributions towards secular projects.

3. PARENT INVOLVEMENT IN OUR SCHOOL

3.1. RATIONALE
Today, it is generally accepted that when parents express confidence in the school and are involved with it in some way, their children are likely to be happier and perform better in the classroom. Young children see their parents and teachers sharing common beliefs, attitudes and goals. They therefore feel more secure and more purposeful.

It has been found that when home-based educational objectives clash with school based objectives, the student normally resolves the conflict by rejecting the school. This underlines the importance of the need for parents and teachers to work together.
3.2. FAMILY INVOLVEMENT
The partnership of parents and teachers is vital to the achievement of St Joseph’s School goals and vision. The primary role of the Catholic school is to support parents in the formation of their children's faith.

The success of a school is measured as much by the strength of its student and parent community as by its curricula and pastoral objectives and achievements. Similarly, school culture is shaped and given meaning by its community synergistically sharing common vision and purpose in which the central focus always remains a happy, productive and successful schooling experience for students. Parents are encouraged to take an active role in the school in support of their children, including through School Board and P&F membership and participation.

Parental assistance in classrooms is valued, in all years, by the teaching staff. Grandparents, and other family members, are also welcome to assist with planned activities, as directed by the teacher and with a current Working With Children Clearance.

Parents are actively involved in the classrooms and are encouraged to participate in classroom activities. Special talents and skills of parents, and availability times, are recorded to assist teachers when planning a specific program of work.

Open and honest communication between home and school is vital. Through communication with their child's teacher, home and school can complement each other in encouraging the development of the whole child. Parents can play a valuable role in the classroom by extending the children's experiences. The active, developmental style of learning we provide at St Joseph’s School utilises parent support in areas such as sports carnivals, canteen, excursions, camp and in classrooms.

As teachers are entrusted with the development of whole classes of children and have the long term good of each child at heart, we ask that parent helpers also provide for all children the confidentiality, support and equal opportunities they would wish for their own child. The teacher, as the caring professional, will at all times provide the guidance needed by classroom helpers. If there is any part of the programme that helpers are not clear about, we ask that they discuss it with the teacher and not outside the classroom.

3.3 GUIDELINES AND CONFIDENTIALITY FOR PARENT/FAMILY HELPERS
The classroom teacher is responsible for the children’s education and monitoring the behaviour of the children. The parent helpers work under the teacher’s direction.

The classroom teacher is a professional. The school expects parents to respect the teacher’s expertise and maintain a professional attitude as they work alongside the teacher. The teacher will make it very clear exactly what is expected of parents when they come to help. The school stresses the importance of being professional and it insists that parents do not discuss details of any child’s academic achievements or social behaviour outside the classroom.

3.4. PARENT TEACHER COMMUNICATION
Communication between home and school is essential if we are to reinforce the benefits of the Catholic education you have chosen for your child.

Avenues of communication are:

**The Weekly Newsletter** – emailed each Tuesday via the newsletter link to each family. Please ensure that your email address is updated at the school office.

**Annual Calendar** – to inform parents of events for each term and assist with forward planning.

**School Website** – www.stjosephsboulder.wa.edu.au – contains school information, including newsletters.

**School App** - contains school information, including newsletters.

**Parent Information Meetings** – Kindergarten to Year Six meetings are held early in the year to discuss the year's programme and expectations in each class. It is essential that each family be represented at the meeting(s) relevant to their child/children. The Pre-Kindy and Kindergarten orientation meetings are usually held in November/December so that information provided can be of benefit in the transition period of the Christmas holidays, in order to prepare the younger students for their commencement at Pre-Kindy and Kindergarten.

**Progress Reports** – Evaluation and reporting are important elements in the teaching and learning process. Teachers provide written reports at the end of each semester for Pre-Primary to Year Six. Parent-teacher interviews during the year provide opportunities for the exchange of information regarding the child and his/her development.

Teachers welcome parents to make appointments to discuss their child's progress at any stage of the year. Due to responsibilities of classes and demands on teachers for out-of-school hours preparation and meetings, parents are asked to make an appointment at a mutually convenient time.

**Work Sample Books** – These are sent home in term two and term four and contain samples of the child’s work. Selected work samples are discussed at the Three Way Interviews in term one.

**Open Night** – Open Night is held in Term Three. Throughout your child’s classroom and adjacent areas, you will find samples of your child’s work or demonstrations. Open Night gives your child a unique opportunity to guide you through their learning and take on the responsibility to talk you through the activities.

**P&F Meetings** – These provide a good forum for gathering information about school happenings and are a way to make a real contribution to your children's education. P&F meetings take place monthly on a Monday morning at 9am. Please check dates in the School Calendar.
Notes – These are sent home periodically by class teachers and administration. Please respond promptly if an answer is required.

General Meetings – Meetings are scheduled during the year to ensure cooperation and understanding of current topics such as sacramental programmes, curriculum and learning activities. Parents are urged to attend these as they provide an overview of your child’s experiences.

3.5. HOW PARENTS CAN MAKE A GOOD SCHOOL BETTER

- Make an effort to understand what the school is trying to do. If you can, express your support for its aims and the values it expresses.

- If at all possible, participate on committees and in discussion groups that consider educational issues and give opinions to the staff.

- See the school as YOUR school. Encourage your children to see it in the same way.

- By all means offer constructive criticism and suggestions and direct your information to the right people.

- Go to school activities - open days, plays, concerts, picnics, sporting functions, and celebrations. Take a friend.

- Join the official parent group and look after the school's interests.

- Welcome new parents. Help them feel that they belong. Build their confidence in the school.

- Support a broad and balanced curriculum. Resist attempts by any pressure groups to narrow the curriculum to things that are purely functional and measurable.

- Encourage your children to cooperate fully, to join in all school activities and to take a pride in the buildings, the grounds and the school community as a whole.

- Let the Principal and the teachers know that you support them, even if sometimes you have to be a friendly critic or a critical friend. *(from Barry Dwyer - Parents, Teachers, Partners)*

3.6. PARENTAL CONCERNS

Parents are welcome to discuss concerns of any kind, at any time. It is more efficient, considerate and convenient to both parents and teachers if an appointment is made, so that full attention can be given to the issue at hand.

Please direct all classroom queries to the classroom teacher first. You may wish to discuss further concerns with one of the Assistant Principals or the Principal.
3.7. PROCEDURES AND PROTOCOLS

Upon enrolment at St Joseph’s School, parents sign and agree to abide by the policies and directives of the school and the Catholic Education Commission of Western Australia. The Catholic Education Commission issues Catholic Schools with policies and directives which the Principal and Leadership Team are bound to implement at the school.

The School Board is responsible for planning the financial management of the school and acting in an advisory capacity in regards to policy formation. The Board is advisory rather than operational, administrative or managerial, as these latter responsibilities lie with the Principal. The Board’s sole connection to the operation of the school is through the Principal. Therefore, Catholic schools are run by the Principal and the School Board provides support to the Principal in upholding directives from the Commission. The school is therefore not run by parents or parent directed, as ultimate responsibility rests with the Principal.

The P&F Association is an important grassroots organisation. The Association, in consultation with the Principal, enables interaction with other parents, organises fundraising events to raise money to support the purchase of resources and may also organise educational activities for parents, e.g. drug education speaker. Queries, concerns and suggestions to the P&F President should relate to these matters only. As stated in the Parents and Friends Federation of W.A. Constitution, ‘the P&F is not entitled to interfere in the day to day running of the school or the curriculum’. However, parents’ views and suggestions may be called upon by the Principal and School Staff members from time to time.

If you have a query, concern or suggestion the correct protocol to follow at St Joseph’s School is to speak with the classroom teacher, asking them to pass on the concern to the Leadership Team, if required. Alternatively you can speak directly to one of the Assistant Principals or the Principal, either in person, via an appointment or via the telephone.

Open and frequent communication is encouraged. Parents need to direct their concerns, queries and suggestions to those who are able to listen, provide correct information and possible solutions, that is, with the teachers and Leadership Team. Discussion amongst parents regarding concerns is not encouraged as information may be ill-informed, misdirected or incorrect advice given. The school does not entertain avenues of expression such as petitions, group letters or group appointments. Such avenues of expression are inappropriate and not the correct venue for expressing concerns at St Joseph’s as they may cause disharmony within the school community.

4. ROUTINES AND PROCEDURES

4.1. SCHOOL HOURS
Pre-Primary to Year Six:
8.35am to 10.45am Learning Session 1
Morning Recess (10.45am to 11:05am)
11:05am to 12.45pm Learning Session 2
Lunch (12.45pm to 1.25pm)
1.25pm to 3.00pm Learning Session 3

All children are expected to be on the premises by the first bell at 8.25am.
The Pre-Kindy and Kindergarten Centre will open at 8.45am each day.

Kindergarten Hours are 8.50am to 2.50pm Tuesdays, Wednesdays and Fridays.

Pre-Kindy Hours are 9.00am to 2.45pm.

School office hours are between 8.00am and 4.00pm Monday to Friday and an Administrative Assistant is available during these times.

4.2. BEFORE AND AFTER SCHOOL

**STAFF ARE NOT RESPONSIBLE FOR THE CHILDREN BEFORE 8.15AM, NOR AFTER THE LAST BUS (3.20PM). CHILD SUPERVISION WITHIN THE CLASSROOM COMMENCES AT 8.25AM.**

Children are not to be on the school grounds before 8.15am as the children are not supervised before this time. Children are to go straight home from school at the end of the school day. They are not to remain on the premises unless they are involved in official, supervised sports practice or other events sanctioned by the school. In which case, they will be supervised by parent volunteer coaches – not staff members.

Siblings of students not involved in after school training for sporting teams cannot be on school premises without the supervision of parents or carers. Children must not play games, use sport equipment or be on playground equipment before or after school.

**4.3. CURRICULUM MEETINGS AND PUPIL FREE DAYS**

- Curriculum meetings/Professional Learning: Staff meet weekly on Tuesday from 3.30pm.
- Staff prayer: Staff meet weekly on Thursday morning from 8.10am.
- Professional Development Days: Parents will be notified of pupil free dates via the newsletter(calendar).

**4.4. BICYCLES**

The Western Australian Traffic Office advises that children under the age of nine years should not ride bicycles to school alone. Parents should use their discretion in this matter and recognise that an approved, safety standard helmet must be worn. When making this decision, be reminded that roads around St Joseph’s School are often very busy. A child on a bicycle is both very difficult to see and unpredictable. Bicycle racks are positioned at the front entrance near the Pre-Primary classroom. Bicycles brought to school need to be padlocked to these racks. This is the responsibility of the child. Scooters are to be stored in the staff garden behind the gate.

**4.5. ATTENDANCE**

Children are required to attend school unless they are ill and this includes days for which special events are planned, e.g. camps or sport days. Continued absence and withdrawal from school can impact heavily on student learning. To ensure the children’s safety, and for legal requirements by the Education Act of W.A, parents are asked to comply with the following:
• If a child is to be absent or arriving late on a particular day, parents are asked to notify the school by 9.00am. Notification is also needed for dentist and other appointments.

• When a child returns to school after being away, a written, signed and dated explanation must be given to the teacher.

• Children are not permitted to leave the school grounds during school hours without written consent of parents and permission from the Principal.

• All extended absence requests from St Joseph’s School should be placed in writing to the Principal. This includes such absences as family holidays, and a copy needs to be given to the classroom teacher.

• Children must be signed in by parents/guardians when arriving late to school.

In the event of unexplained absences, we are required to pass on details of the truancy to the Office of the Child Welfare Department.

4.6. OUTSIDE AGENCIES
It is important for the classroom teachers to be aware of what outside therapies your child is involved in so that we can all work together to assist your child. If possible, appointments should take place out of school hours so the children do not miss out on their schoolwork. However, sometimes that is not always possible and we are willing to accommodate during school hours appointments, if required. Please make an appointment to see the Principal should this be the case for ongoing appointments.

The teachers are very happy to communicate with the therapists to discuss your child’s needs and to reinforce at school what actually occurs at therapy. If you have any written reports from your therapists, it is important that you send a copy to the office so that the teachers are updated with the progress your child is making. It also assists the teachers in gaining an overall understanding of your child’s growth, development and learning needs.

4.7. COLLECTING CHILDREN FOR APPOINTMENTS
As part of our duty of care, parents collecting children for appointments, sickness etc, will need to come to the school office to sign the children out. Name, date, time, reason why, who is collecting the children and signature will be required.

If your child is returning to school after an appointment, parents/guardian must present the child to the office before the child returns to the classroom and sign the child in. Parents are still required to inform the child’s class teacher via a note of their intention.

4.8. MONIES
School fees should be paid at the office. Options for payment include cheque, cash, credit card, direct debit or direct deposit (please see the Finance Officer regarding details).
Health Care Card Holders
Parents/guardians who are responsible for the payment of school fees and hold a current means tested family Health Care Card or Pensioner Concession Card are encouraged to check with the Finance Officer regarding eligibility for a discount on tuition fees. This discounted tuition fee DOES NOT cover additional charges such as incursions/excursions, amenities, swimming, P&F levy, ICT levy and building levy etc. and does not apply to the Pre-Kindy programme.

To access the Health Care Card Tuition Fee Discount Scheme, parents/guardians will need to show a valid Health Care Card or Pensioner Concession Card (code PPS) and complete a simple form available at the office. Holders of cards that are due to expire prior to the end of term will need to show their new card once issued for discounts to continue.

Book Club
Ashton Scholastic Book Club books are available throughout the year. Correct money or a cheque made payable to Scholastic Australia must accompany orders securely enclosed in an envelope with student's name, class and amount clearly marked. Credit card payments are available.

4.9. EMERGENCY PROCEDURES
The school has an evacuation plan in case of emergencies and has practice drills regularly. If you are a parent helper and are working with a group of children when an emergency or drill siren sounds, please check the following:
  • that your entire group is present
  • that you rejoin the main class group as soon as possible by a safe route
  • classes assemble on the oval at the rear of the school

If you are working in the Canteen or Library, please follow the Library Technician or Canteen Manageress to their designated area.

4.10. LOST PROPERTY
No responsibility is taken by the school for lost articles. Parents are most welcome to check for lost items in the lost property collection box situated in the Office. Please enquire at the school office for smaller lost items such as watches, sunglasses, keys etc.

4.11. ASSEMBLIES
Morning assemblies are held each week on Friday at 8.40am in the Kamballie Grandstand. At these whole school gatherings, the School Prayer is recited and the National Anthem is sung. Classes are rostered on to do a Performance Assembly. Awards are presented to affirm children's individuality and successes.

Parents are always invited to attend assemblies.

4.12. PARKING & DROP OFF
The school has very good facilities to cater for the needs of the children when arriving at and leaving school. Parents are requested to follow all signage placed at the parking and drop off areas. The Kiss & Ride drop off zone and pickup zone has a limit of two minutes only. Drivers are not to leave their cars in this area. This zone works very effectively in the
morning when the children simply get out of the car. There is ample parking available at the rear of the school off Brackleman Drive and usually to the left of the main entrance, near the Early Childhood Centre and in front of the Church. If arranging play dates for your children please remove yourself and your children from the Kiss and Go zone and park in the designated areas to keep the traffic flowing safely.

Parents are requested not to park on the north side of Burt Street and call their children over the road to where they are parked. When crossing Burt Street children must use the controlled crossing provided for our school. Parents are reminded that these facilities and rules are there for the children’s safety and not the convenience of parents.

4.13. MOBILE PHONES
Any mobile phone brought to school must remain in the student’s bag. Any mobile phone that does not remain so will be confiscated.

4.14. SCHOOL BANKING
Commonwealth Banking services are provided for students each Wednesday. Bank books and money should be handed to the class teacher on Wednesday mornings; this raises funds for the P&F.

4.15. SCHOOL NEWSLETTER
A school newsletter is distributed electronically on a Tuesday. As it is the official communication for the school, it is important that parents read it regularly and promptly. Any notices for inclusion in the newsletter must be submitted to the school office by no later than 10.00am Monday morning.

4.16. BUS TRAVEL
Students travelling by bus are expected to be seated and to obey the bus driver’s instructions. The bus driver can refuse to transport students who misbehave on the bus or while waiting for the bus. If parents or children have any issues or concerns on the bus, please report this directly to the bus company.

5. SCHOOL ORGANISATION AND SERVICES

5.1. THE SCHOOL BOARD
The School Board is the body responsible for the financial management of the school, for improvements and financial planning. The Board is comprised of the Parish Priest, the Principal, a representative from the Parish Council, a representative of the Parents & Friends Association and a minimum of four and a maximum of six other elected persons.

The School Board is responsible to the Catholic Education Office of Western Australia (CECWA) and subject to the School Board Constitution as set down by CECWA.

Members are elected to the Board at the Annual General Meeting of the Board and membership is for a period of two years. Additional people may be co-opted for specific purposes where deemed necessary.

5.2. PARENTS AND FRIENDS ASSOCIATION
The Parents and Friends Association consists of the office bearers and a committee of volunteer parents and friends. A parent/guardian of a child attending the school, or any person who supports the objectives of the Association is admitted as a member. P&F meetings are held monthly in the Science/Art room during term time.

The Parents and Friends Association is an integral part of the Catholic School structure and is a valuable instrument in this important Church Apostolate.

The association should:

- adhere to the aims and objectives of the State Federation as laid down by the Constitution and approved by the Catholic Bishops of Western Australia
- strive to develop at the school a real community of parents, teachers and students which reflects a truly Christian ethos
- work closely with the school authorities - in particular the school Principal, who is the leader of the school community - to achieve common goals
- act as liaison between the wider school community and the Governing Bodies of the school
- ensure that a high level of social and educational interaction exists between home and school, parents and staff
- endeavour to have all parents enjoy the exciting experience of their children’s formal school years by active participation and personal enrolment in the school programs
- provide a healthy forum for ideas and discussion on any relevant issue that will benefit the education of the children
- in particular, concern itself with further education for the parents of the school in their faith development and ensure that a clear understanding of the school’s Religious Education program exists
- organise guest speakers for the Association Members on current and suggested educational programs, faith development and other matters of interest
- work to provide additional resources which are considered necessary for the children or to assist the teachers in their professional work
- assist in planning and organising functions associated with the social, sporting, cultural and educational life of the school community

5.3. EDUCATIONAL PSYCHOLOGIST

The purpose of the Educational Psychologist is to provide psychological services to assist the school to optimise student learning and development. Support can be provided to staff, students and parents in the following main areas:

Student learning  
*Failure to make adequate progress.*

Assistance can be provided with identification, assessment and development of appropriate interventions.

Student behaviour  
*Management of student behaviour in the school.*

Assistance can be provided in terms of appropriate programmes for individual students, whole class and whole school levels.
Social and emotional support issues and intervention to individuals and groups.

School and system support policy and practice issues.

5.4. SCHOOL CANTEEN
Lunches are available from the school canteen each day of the school year. Menus are distributed at the commencement of each term or can be collected from the office at any time. Parents interested in assisting in the canteen will be gladly welcomed.

5.5. FOOD ALLERGIES
A food allergy is a reaction to a component of the food consumed. It usually gives rise to symptoms very quickly, generally within minutes of eating or even touching the food. The symptoms are often severe, and may even be life-threatening. The kinds of symptoms that might appear include asthma, vomiting, diarrhoea, eczema, hives, nasal drip, swelling of areas of the skin and in extreme cases, anaphylactic shock (total collapse).

The foods which are the most commonly associated with allergy include milk, eggs, nuts, fish and wheat. St Joseph's is a nut allergy friendly school. Parents are asked not to send such items to school in lunchboxes. Please ensure that information on your child's allergies is updated at the office.

5.6 LIBRARY
In order to borrow books from the school library, children will need to have a library bag to protect the books. Whilst the responsibility of regular returning is the child’s, gentle reminders from home on library day can be helpful.

In the event of an item being lost or damaged while on loan, parents are asked to inform the Library Technician. A replacement may be required and fees charged.

We consider the Library to be an essential source of resources in the education process and we welcome frequent use by all members of the school community.

Library bags can be brought at the uniform shop, local shops and at fetes and market days.

6. UNIFORM
Our uniform is a sign of our community and all are expected to support it.

- Children are expected to be attired in correct and complete school uniform at all times.

- Summer uniform is worn in Term One and Term Four. Winter uniform is worn in Term Two and Term Three.

6.1. UNIFORM SHOP
The uniform shop is open on Tuesday from 8.15am to 9.00am and on Thursday afternoon from 2.45pm-3.30pm.
6.2. CORRECT UNIFORM

HAIR
- Hair, for both health reasons and appearance, is to be neat and tidy
- Shoulder length hair is to be tied back (with yellow or green hair ties or clips)
- Fringes are to be above the eyebrows or clipped back
- Hair colour is to be kept natural (no tints, streaks, tips etc)
- Hair styles should be of a conservative nature (no tracks, hawks, mohawks, undercuts, tails, mullets, partly shaved/close cut hair etc)
- Minimal hair product/gel may be used

JEWELLERY
- No jewellery may be worn other than a functional watch, a cross and chain and one gold or silver cygnet ring and/or bracelet.
- A maximum of two piercing per ear is acceptable with sleepers or studs. *Facial piercing is unacceptable and would see the child sent to the office where they will await their parents to collect them and rectify the problem before their return to school.*

ALL JEWELLERY MUST BE REMOVED WHEN PARTICIPATING IN TEAM SPORTS.

**GIRLS**

**Summer**  
*(Term One and Four)*  
Fawn / green / white checked dress with crest on left side.  
Brown flat school sandals or black school shoes, not runner styles, with lemon or white socks. *(Surf/reef type sandals are not acceptable.)* Knitted V neck jumper.

**Winter**  
*(Term Two and Three)*  
Navy / green check pleated skirt, lemon blouse with crest on left pocket, knitted green V neck jumper, lemon or white socks or navy tights, black flat soled shoes. *(Boots and black runners are not acceptable.)*

**Sports**  
Black unisex shorts, as sold by the Uniform shop, *not basketball type for example*, and green polo shirt, white ankle socks and low-cut, predominantly black or white joggers. *Yellow or green track or running shoes, for example are unacceptable and the student will be required to wait in the office until a parent comes and change their children’s shoes.* School black tracksuit pants in winter. *House polo shirt to be worn for special sporting events only.*  
Zip up sports jacket.

**BOYS**  
Grey shorts, grey shirt (crest on pocket), and brown sandals or black school shoes *(not runner style)*, with grey socks. *Surf/reef type sandals are not acceptable.* Knitted V neck jumper.
OR

Grey trousers, grey shirt (crest on pocket), flat soled black lace-up school shoes, grey socks, knitted V neck jumper. *Boots and black runners are unacceptable. Sandals are only an option when school shorts are worn.*

Sports

Black unisex shorts, as sold by the uniform shop, *not basketball type for example*, and green polo shirt, white ankle socks and low-cut, predominantly black or white joggers. *Yellow or green track or running shoes, for example are unacceptable and the student will be required to wait in the office until a parent comes and change their children’s shoes.* School black tracksuit pants in winter. *House polo shirt to be worn for special sporting events only.*

Zip up sports jacket

**SPORT SHOES**

*Predominately white or black sport shoes are acceptable for use during sport lesson. No fluoro laces or soles are acceptable. Please see the school Acceptable Sport Footwear Policy to ensure your child’s shoes comply.*

**PLEASE NOTE:** The sports jacket is not permitted to be worn with the formal summer or winter uniform.

**PRE PRIMARY**

The sports uniform is compulsory and is to be worn daily.

**NAIL POLISH**

Is not to be worn by students in Pre Primary – Year Six.

**SCHOOL HAT**

It is mandatory for the children to wear the school hat. The school has a ‘no school hat, no sun’ policy. Pre-Primary children are to have a school hat.

**GLOVES & SCARF**

On cold days children may wear a scarf and/or gloves but the colour must be only black.

**WINDBREAKERS**

The school has available for order fleece lined windbreaker jackets that may be worn with or without the school jumper on cold days.

**6.3. BOOKLISTS**

Booklists are issued in Term Four for the following year. Orders may be collated or ordered online and either collected from the supplier in January or home delivery can be arranged. Many materials can be used from the previous year if children care for them.

**7. CHILDREN’S HEALTH**
7.1. THE COMMUNITY NURSE
A Community Nurse visits the school throughout the year. You will be notified of an impending visit in the newsletter, of when the nurse will be available to students and to parents to discuss a child’s health concerns.

Routine School Health screening is carried out in Kindergarten and Pre-Primary and from these screening results, referrals are made, if necessary, to other agencies after discussion with parents.

7.2. HEALTH AND EMERGENCY INFORMATION
It is vital that all emergency details are kept up to date. If at any time your address, phone number or emergency contact number is changed, please notify the school immediately. In the event of no contact being made with parents, the emergency contact will be phoned. In cases of suspected injury to the back, neck or serious limb injury, an ambulance will be called and parents will be notified immediately.

Sick children do not enjoy school and often spread their sickness to others. Children who are too ill to remain at school will be sent home. Parents are asked to ensure sick children have recovered before sending them back to school. Written notes should be sent to school immediately after any absence.

7.3. MEDICATION
The administering of medicinal drugs to children at school is the responsibility of parents.

• Generally no teacher should be asked to administer drugs of any kind.

• Children should not have medicinal drugs in their possession at school as these can inadvertently find themselves in the wrong hands and be incorrectly and perhaps dangerously misused.

• If there are extenuating circumstances that may be contrary to the above, discussions between the Principal, the teacher(s) concerned and the parents must take place and the resultant action be recorded via a medical form.

• Children needing asthma puffers need to ensure that they carry their own puffers at all times. Medications or Epipens should be supplied to the school with full instructions for children who suffer with severe allergies.

Parents must notify the school immediately should there be a health concern regarding their children, especially emergency plans. School staff will not administer any medication without written authority from the parent/guardian. This refers to any medications, even aspirin or paracetamol. Parent/guardian authority forms are available from the school office.

7.4. DENTAL CLINIC
The school dentist is available to students via Boulder Primary School. Appointment cards are issued and parents are required to take their children to the Dental Therapy Unit.

7.5. SMOKING
8. SCHOOL PROGRAMMES

8.1. PRE-KINDY
Our early learning program at St Joseph’s allows for children to develop at their own rate, following their own interests with a strong play based foundation. Our Pre-Kindy program focuses on ‘learning through play’ with a strong emphasis on developing the child’s social and emotional independence in a fun and stimulating environment.

Our planning is guided by the Early Years Learning Framework. This describes the broad parameters, structures, principles and outcomes required to enhance children’s learning from birth to five years old. It focuses on: play-based intentional learning; the role of teachers in facilitating children’s learning; five outcomes and the seamless transition from learning in childcare to learning in school. It also has strong links to the Australian Curriculum and the WA Curriculum Framework. Please refer to the Pre-Kindy booklet for further information.

8.2. KINDERGARTEN
The Kindergarten programme is available for children who turn four years of age prior to 1st July in the year they are due to commence. The Kindergarten classes operate on a Tuesday, Wednesday and Friday. The programme is designed around the concept of play-based Education, being the principle learning strategy for children of this age. Please refer to the Kindergarten booklet for further information.

8.3. PRE-PRIMARY
St Joseph’s School uses a developmental programme to facilitate the development of the whole child. Activities within the centre are child-centred. Pre-Primary children attend full time from the commencement of the year. Please refer to the Pre-Primary booklet for further information.

8.4. RELIGIOUS EDUCATION
St Joseph’s Boulder is committed to providing a quality education, which embraces the full human growth and development of our students. The school commits itself to nourishing the faith of its students, hence imparting a deep knowledge of Christ and giving the opportunity of communion with Christ through the Sacramental life of the Christian community.

The school offers a relevant, meaningful and comprehensive Religious Education program. Religious Education follows the guidelines set out by the Archdiocese and the Catholic Education Commission. Children in Years Three, Four and Six are prepared for the Sacraments of Reconciliation, Eucharist and Confirmation respectively. Baptised Catholic students, new to the school, in Years 5 – 6 who wish to partake in the reception of Eucharist and students new to the school in Years 4 – 6 who wish to receive the Sacrament of Reconciliation will be instructed through the year. Parents are an integral part of this preparation and must assist the teacher.
Incorporated within the lessons, and in addition to them, the children are exposed to a wide spectrum of Catholic practices including:

- The learning of formal and informal prayers
- Personal conscience and faith response
- Daily classroom prayer
- Sacramental preparation: Reconciliation, Eucharist and Confirmation
- Preparation and participation in Liturgies
- Celebration for special feast days, especially St Joseph and Mary MacKillop
- Community Liturgy celebrations
- Celebrating Mary, Mother of Jesus
- Celebrating Saints
- Practical support of Missions
- Encouragement in upper grades to think about vocations to the religious or priestly life
- Pastoral care learning
- Hymn singing and participation in the school Liturgical Choir
- Participation in school-based and community Mass, Sacramental and Liturgical celebrations

Our school community is deeply enriched through the active support of the Parish Priest.

Staff assist in the active planning for Masses by preparing the children, explaining the Mass and readings, and, at times helping as special ministers of the Eucharist.

Masses and liturgies are held throughout the year on Thursday at 9:30am at All Hallows Church and parents are welcome to join us in the celebrations. Dates of celebrations will be notified through the school newsletter.

Like most Catholic schools today, emphasis is placed on integrating our Catholic faith through other learning areas. In acknowledging that the school is here to support parents in the education of their children, it is hoped that interaction between school and the Parish will always flourish.

8.5 PASTORAL CARE

In keeping with our Catholic school aims of educating the whole child, pastoral care within the school focuses on developing a sense of Christian self-responsibility and community in children. The development of the individual child through the use of positive reinforcement is an essential component of appropriate school and classroom behaviour.

At St Joseph’s School, we aim to create an atmosphere which protects the rights of each individual and group within the community, children, staff, parents and Parish and where fairness and responsibility for one’s actions encourage the development of self-discipline.
Pastoral care in a Catholic school is a natural extension of the evangelical ministry of the Church. It is the responsibility of all, requires cooperation and permeates every aspect of school life; it is based on Catholic values and affirms the dignity and worth of each person.

Protective behaviours will be taught to all children each year.

**8.6 ST JOSEPH’S SCHOOL SAFE SCHOOL POLICY**

At St Joseph’s our Safe School policy supports the *National Safe Schools Framework* which is a collaborative effort by the Australian Government and State and Territory government and non-government school authorities and other key stakeholders. It presents a way of achieving a shared vision of student wellbeing for all students in all Australian schools.

Promoting and providing a supportive learning environment in which all students can expect to feel safe and be safe is an essential function of St Joseph’s School. The Safe School policy includes strategies that enhance school safety and students’ wellbeing. The *Framework* recognises the need for sustained positive approaches that include an appreciation of the ways in which social attitudes and values impact on the behaviour of students in our school community. Such approaches encourage all members of the school community to:

- value diversity
- contribute positively to the safety and wellbeing of themselves and others
- act independently, justly, cooperatively and responsibly in school, work, civic and family relationships
- contribute to the implementation of appropriate strategies that create and maintain a safe and supportive learning environment.

In keeping with St Joseph’s beliefs for optimal learning of educating the whole child, pastoral care within the school focuses on developing a sense of Christian self-responsibility and community in children. The development of the individual child through the use of positive reinforcement is an essential component of appropriate school and classroom behaviour.

At St Joseph’s School, we aim to create an atmosphere which protects the rights of each individual and group within the community, children, staff, parents and Parish. Fairness and responsibility for one’s actions is encouraged through the development of self-discipline.

Behaviour management in a Catholic school is a natural extension of the evangelical ministry of the church. It is the responsibility of all, requires cooperation and permeates every aspect of school life; it is based on Catholic values and affirms the dignity and worth of each person.

This policy aims to develop a comprehensive, whole-school response to behaviour management to ensure all children, parents and staff feel respected, safe and valued. This
policy is promoted through formal and informal curriculum, teaching and learning, organisation, ethos and school-home community links.

8.7. BULLYING
The school’s approach to bullying and harassment ensures that the values and principles of our Catholic faith are met. We are committed to striving for as safe and caring an environment as possible for all of our students.

We believe that schooling should be a happy, be productive and satisfying learning and social experience for our students.

Bullying and harassment are behaviours that are not tolerated. They undermine the ethos and ideals that we work hard to nurture at St Joseph’s School.

Programs aimed to teach children, across all year levels, strategies to deal with bullying and harassment are used. They provide a consistent approach and also aim to inform parents how they can help their children deal with bullying incidents.

Students are made aware of the rules of the school at the beginning of each school year and regularly throughout the year.

Recurring breaches of rules and recurring behaviour problems will be reported to the Principal and to parents. Discussions between Principal and parents as to an appropriate course of action may follow, if considered necessary.

Effective discipline is established in the home and reinforced at school with the cooperation of parents.

It is incumbent upon all of us, teachers and parents alike, to do all that we can to eradicate bullying both at school and beyond the school grounds.

9. CURRICULUM

9.1. THE ARTS
In the Arts learning area, students develop creative skills, critical appreciation and knowledge of artistic techniques and technologies in dance, drama, media, music, visual arts and combinations of art forms. The

Arts develop students’ sense of personal and cultural identity and equips them for lifelong involvement in and the appreciation of the arts.

St Joseph’s offers specialist lessons in Visual Arts and Drama for all children in Pre-Primary to Year Six.
9.2. MUSIC
Children attend liturgical singing from Pre-Primary to Year Six. Children in Years One-Six will have the opportunity to participate in the Choir.

An instrumental programme is offered to students in Year One-Year Six. Our tutors offer lessons in the following instruments: piano, guitar, and drums.

9.3. ENGLISH
In the English learning area, students learn about the English language, how it works and how to use it effectively. They develop an understanding of the ways in which language operates as a social process and how to use language in a variety of forms and situations. They learn to speak, listen, view, read and write effectively.

9.4. HEALTH AND PHYSICAL EDUCATION
Health and Physical Education provides students with an understanding of health issues and the skills needed for confident participation in sport and recreational activities. This enables students to make responsible decisions about health and physical activity and to promote their own and others’ health and well-being.

Physical Education is taught by a specialist teacher from Pre-Primary to Year Six. It is important that your children are properly attired for Physical Education and Sport lessons. On sport days, children wear their sports uniform for the whole day.

There are opportunities for children to play in sports teams that are affiliated with the school. While a number of these teams play under the school’s name and the school provides some equipment and training facilities, parents are totally responsible for coaching, providing organisational structures and support personnel for these teams and locking up the school premises at the end of sessions. Teachers are generally not involved in these after school activities.

The team sports offered include:

Terms 1 & 4  Basketball/Tee-Ball
Terms 2 & 3  Netball/Soccer

Hockey is also available through the Eastern Goldfields Hockey Association.

Parents are notified of the Sports Day for their children. The sports uniform, as per uniform details, must be worn.

Our sports program provides opportunities for students to be involved in a wide range of activities which include both individual and team pursuits.

Each student is placed in a House. Students of the same immediate family are placed into the same House. Teachers are also designated a House. Each House has two House Captains and these are selected from the Year Six class through a voting process.
House polo shirts are to be worn for special sporting events, particularly the school Swimming Carnival and Athletics Carnival. House shirts will also be worn during term three, for training, until the school Athletics Carnival is held.

9.5. MATHEMATICS
In Mathematics, students learn to use ideas about number, space, measurement and chance and mathematical ways of representing patterns and relationships, to describe, interpret and reason about their social and physical world. Mathematics plays a key role in the development of students' numeracy and assists learning across the curriculum.

9.6 SCIENCE
In the Science learning area, students learn to investigate, understand and communicate about the physical, biological and technological world and value the processes that support life on our planet. Science helps students to become critical thinkers by encouraging them to use evidence to evaluate the use of science in society and the application of science in daily life.

St Joseph’s currently has a Science Specialist that teaches all classes from Pre-Primary to Year Six.

9.7. TECHNOLOGY AND ENTERPRISE
In the Technology and Enterprise learning area, students apply knowledge, skills, experience and resources to the development of technological solutions that are designed to meet the changing needs of individuals, societies and environments. Students become innovative, adaptable and reflective as they select and use appropriate materials, information, systems and processes to create solutions that consider the short and long term impact on societies and environments.

9.8. INFORMATION COMMUNICATION TECHNOLOGY
It is our policy at St Joseph’s School to integrate the use of ICT into children’s learning in the classroom. In keeping with this policy, each classroom has access to computers, iPads, Apple TVs and interactive whiteboards for integrated daily use. The school also has a green room, to record video, which each classroom has access to throughout the week. The school has a parent funded Bring Your Own Device (iPad) program that begins as a child enters Year Four. The school encourages every student to see computer technology as a context in which teaching and learning takes place. However, there are very strict rules concerning the proper use of computing hardware, software and networks.

The computer network and associated equipment is provided to facilitate and enhance the academic program of the school. The following rules apply to all users of the computer network:

- Authorisation is required by students using facilities
- The school will monitor all Internet and email usage and will act decisively, if any breaches of conduct are observed. Parents will be notified if the breach is serious
- Students and parents are required to complete the Email and Internet Use Contract and comply with its conditions
9.9. SEEDS EXTENSION PROGRAM
St Joseph’s is dedicated to educating all students to their full potential. The Seeds Extension Programme (Junior & Upper) is designed to broaden knowledge, understanding, skills and interests and to cater for all intelligences. Identification of extension students within the school is based upon multiple criteria and includes individual identification and the use of standardised test data.

10. ACTIVE LEARNING

10.1 EXCURSIONS AND INCURSIONS
Wherever practical teachers may include day excursions in their programs. These are held to provide a practical means of satisfying the educational curriculum and to provide the children with an opportunity for social growth. Where these excursions fall outside of the general school commitments such as Masses, Athletics and Swimming Carnivals, Cross Country and swimming lessons, excursion notes will be sent home by the class teacher stating all details and asking parent’s permission to take their children outside the school grounds. The teacher will require a signed return form from the parent or guardian before the excursion date. No child will be barred because of financial considerations.

All classes from Pre-Primary to Year Six will have a carefully planned ratio of adult to student supervision, dependent on the type of activity and the age and capability of the students. However, children who do not return signed notes will not be able to attend the excursions. Parents may be asked to assist with the supervision of children.

10.2. CAMP
Camps enable children to broaden their educational development through experiences outside of the school structures. Students in the Year Six class will attend the annual camp. The school has a comprehensive Camp Policy which you are welcome to read, please ask at the office for a copy.

The camp is designed to strengthen bonds among senior school children through worshipping, working, playing and living cooperatively.

The camp features a combination of religious, environmental, conservation and recreational activities conducted in safe and suitable locations.

11. HOMEWORK
Homework is set for all grades four nights per week. Teachers will outline the school’s homework policy at the Parent Information Evening, which occurs early in Term One, each year. Parents are asked to support and guide children in their homework without, of course, however well-intended, actually doing it for them. By setting homework we aim to:

1. Develop a positive attitude towards learning.
2. Consolidate and practice skills and concepts taught.
3. Keep parents informed of their child’s progress.
4. Improve community attitudes towards school and education.

*Homework Allocation*

<table>
<thead>
<tr>
<th>Years One and Two</th>
<th>20 minutes per night, Monday to Thursday</th>
</tr>
</thead>
<tbody>
<tr>
<td>Year Three</td>
<td>25 minutes per night, Monday to Thursday</td>
</tr>
<tr>
<td>Years Four and Five</td>
<td>30 minutes per night, Monday to Thursday</td>
</tr>
<tr>
<td>Years Six</td>
<td>45 minutes per night, Monday to Thursday</td>
</tr>
</tbody>
</table>

For all year levels the allocated homework time includes reading time.

At the teacher’s discretion homework allocation may vary depending on school circumstances and it must be remembered that as each child is an individual learner, completion times for homework may vary.

Homework standards are expected to be in line with classroom expectations. Homework that cannot be completed will require a note from the parent.

Parents are requested to sign homework diaries as directed by the classroom teacher.

**12. ENROLMENT POLICY**

**ENROLMENT GUIDELINES**

St Joseph’s School exists to further the mission of the Church. In Western Australia, the Mandate of the Bishops requires the Catholic Education Commission of Western Australia to make Catholic school education available to all Catholic children, insofar as this is possible and resources allow.

**PRINCIPLES**

1. St Joseph’s School recognises the uniqueness of each student
2. St Joseph’s School has a preferential option for the poor and marginalised
3. St Joseph’s School fulfills its mission in partnership with parents who are the first educators of their children
4. St Joseph’s School has a responsibility to fulfil the requirements of relevant Federal, State and Local Government laws and regulations
5. St Joseph’s School shall accept all applications for enrolment
6. The acceptance of an application form does not guarantee an enrolment interview or offer of enrolment
7. Enrolment in St Joseph’s School shall only be offered where the school has age-appropriate accommodation and the requisite resources to respond to any specific needs of the student
8. Enrolment in St Joseph’s School does not guarantee enrolment in any other Catholic school

The school community provides assistance to parents in the faith development of their children. The school depends heavily on parental support and structures are established to facilitate their involvement. The school and parents are to be committed to the building up of a constructive relationship based on the notion of partnership.
It is within this context that the following enrolment policy applies with respect to priorities for the offering of places in the school.

1. Siblings of Catholic students already attending the school from our Parish with a Parish Priest Reference
2. Catholic children from our Parish with a Parish Priest Reference
3. Catholic students transferring in from another Catholic school with a Parish Priest Reference
4. Other Catholic enrolments
5. Siblings of Non-Catholic students already attending the school if there are vacancies
6. Non-Catholic students from other Christian denominations
7. Non-Catholic children

In exceptional circumstances the Principal may vary the above priorities to suit particular local circumstances prevailing at the time after consultation with the Director.

All students are required to participate in the school’s Religious Education Program. Catholic schools exist to further our faith and educate our children. We expect all parents to fully support the school in this area.

Parents wishing to enrol a student at St Joseph’s School are to complete the enrolment form sent with the information package about St Joseph’s School. Please enrol as early as possible.

Interviews will take place late in Term Two and early in Term Three of the year preceding enrolment. Children and at least one parent are to attend interviews. Positions in Pre-Kindy and Kindergarten will be offered from late in Term Three to late in Term Four.

N.B: At the interview with the Principal a form will be given to present to the Parish Priest at the subsequent interview. It is the parent’s responsibility to ensure they make this appointment within 14 days.

Details of the fees and the fees payment policy are available from the office. In 2006, the school Board approved the introduction of a $100 fee to be paid on acceptance of an enrolment. This money will be credited to the first fee account presented to a family. However, if the child is withdrawn or fails to attend their first agreed days of schooling this fee will be forfeited to help cover costs.

If a parent or guardian has knowingly withheld information relevant to the application/enrolment process then the Principal reserves the right to refuse or terminate enrolment on that ground.

If a child fails to attend during their first two days of schooling without notifying St Joseph’s Boulder this would constitute a breach of enrolment which would lead at the schools discretion, to the position offered being rescinded in writing.

**AGE REQUIREMENTS**
**PRE-KINDY**  
Children must have turned three before they commence the pre-kindergarten sessions.

**KINDERGARTEN**  
Children turning four by June 30 in the year they commence kindergarten sessions.

**PRE-PRIMARY**  
Children turning five by June 30 in the year they commence preprimary classes.

**PRIMARY**  
Children turning six by June 30 in the year they commence Year One.

**13. INSURANCE**  
As part of the school fees, students are covered under a personal accident and disability insurance policy, which insures students for school activities authorised by the Principal under the control of the school. This Policy provides only minimal benefits. Details of this policy are available from the office. It excludes amounts subject to Medicare benefit items as per Health Insurance Legislation and it excludes amounts recoverable from any Private Health Insurer.

All claims are to be made through CCI website: www.ccinsurances.com.au

**14. SCHOOL FEES**

$1226.00 per child per year (Years Pre-Primary - Six)

$1068.00 per child per year (Kindergarten) - these fees are subject to the normal sibling discount.

$65.00 per session for Pre-Kindy. (Sibling discount does not apply to Pre-Kindy)

- A second child is entitled to a 20% discount
- A third child is entitled to a 40% discount
- Any further children in the one family are entitled to a 100% discount.

School fees will be charged out three times a year in Terms One, Two and Three.

Your co-operation in settling these accounts as soon as possible is appreciated. A Direct Debit option is available for those parents who wish to make regular weekly, fortnightly or monthly payments. Further information regarding this system of payment can be obtained from the school office.

Parents having financial difficulties should contact the Principal to seek assistance with fees. All such contact is kept in strict confidence.

- A P & F levy of $100 per family is charged in Term One.

- A building levy of $246.00 per family is charged in Term One and is not tax deductible.
• All Pre Primary and new Year One students will be charged a Speech Pathologist fee of $50.00.

• Dance Lessons will be charged in Term One at a cost of $6.50/student/session (5 sessions) with no family paying for more than two children.

• A charge of $60.00 per Pre Primary – Year Six and $25.00 per Kindergarten child to cover the cost of excursions/incursions will be charged on fee accounts in Term One.

• An ICT levy of $100.00 per Kindergarten – Year Six child is charged in Term One.

• A $25 annual discount is available to families who have children at both St Joseph’s and John Paul College.

**EXCURSIONS**

An excursion fee of $25.00 per Kindy student and $60.00 for Pre Primary to Year Six Students is payable in Term One.

**AMENITIES**

An amenities fee of $90.00 per child per year is added to the school fees account for Term One. The amenities fee pays for art/craft material, exercise books and other items that are necessary for the running of the school.
