EDUCATION IN FAITH

A Teacher's Prayer
By James Metcalf

I want to teach my students how--
To live this life on earth,
To face its struggles and its strife
And to improve their
worth.

Not just the lesson in a book,
Or how the rivers flow,
But to choose the proper path,
Wherever they may
go.

To understand eternal truth,
And know right from wrong,
And gather all the beauty of
A flower and a
song,

For if I help the world to grow
In wisdom and grace,
Then I feel that I have won
And I have filled my
place.

And so I ask your guidance,
God
That I may do my part,
For character and confidence
And happiness of
heart.

This prayer by James Metcalf I feel symbolises every teachers wish to be the best teacher for your child. If we, together with you, are able to follow this we will support you to develop your children to become the best that they are destined to be – children who will have a strong sense of identity, who are strong confident learners and who are connected with and contribute to their world (Early Years Learning Framework Outcomes 1, 2, and 4).
