

St Joseph's School

The St Joseph's P&F Rainbow Run will be held on **Friday, November 16th, from 1.00pm – 3.00pm on the school oval**. Each child attending St Joseph's School will participate in the Rainbow Run. Proceeds from the Rainbow Run will go to upgrading the playground.

What is a Rainbow Run? The Rainbow Run is a fun run in which participants are doused in coloured powder at regular intervals during laps of the oval. Ideally the runners should wear a plain white or pale coloured t-shirt and aim to get covered in as many colours as possible! The colour powder will be thrown by staff and adults, not other children. On race day all parents/families are invited to attend and cheer on our students.

What to Wear? Children taking part must bring in old clothes to run in as, depending on the fabric and original colour, they could be stained permanently. Students will get changed at lunch time into their running clothes.

What is the coloured powder made of? The colour is non-toxic, corn starch based powder, manufactured especially for use in colour runs. The colour will dust off clothes and hair, and the remainder can be washed out with soap and water. Unfortunately, due to the use of powder, this event may be unsuitable for those who suffer from asthma. You are asked to take this under advisement when returning the permission slip.

In order to make this a fundraising success, each child will be given a sponsorship form they can use to ask for donations from friends, family and neighbours in the community. There will be prizes for the most money raised.

In addition there will be EIGHT Colour Blaster positions available for sale. As a Colour Blaster, you will be assigned a Colour Blasting Station, and you will get to throw colour on the passing students during the event. Colour Blaster positions will be limited to one purchase per business/person and are available to **adults only**. Please call Mrs Miller in the front office to reserve yours today!

❖ **Gold Business Colour Blaster - \$100.00**
