Dear Parents and Caregivers,

In accordance with the funding agreement with the Australian Government I would like to report to you by way of what is termed our School Performance Data for 2018.

1. Contextual Information

St Joseph's School is a Catholic co-educational single-stream primary school currently enrolling 240 children from Pre-Kindergarten to Year Six. It is situated in the City of Kalgoorlie-Boulder. The school is an integral part of the Goldfield's Parish and there is a close working relationship between the parish and the school. St Joseph's motto - 'Sharing is Caring' - accurately describes the unique pastoral care that is freely given by all members of the St Joseph's community.

We educate the whole child by providing a holistic education. We incorporate many educational strategies aimed at assisting children to realise their full potential and flourish as lifelong learners, including MiniLit/MultiLit and Reading Recovery, with specialists in Physical Education, Science, Health, Library and the Arts. St Joseph's is a modern well-equipped school including smartboards, LCDs, Apple TVs and iPads in every classroom.

Our school has a warm, intimate and friendly environment where all children are challenged to reach their potential in a Catholic context. At St Joseph's your child is in the care of our highly professional and dedicated staff.

2. Staffing Levels and Qualifications

Collectively, our staff have the following degrees:

- 2 x Masters of Education
- 1 x Masters of Religious Education
- 3 x Masters of Teaching
- 13 x Bachelor of Education
- 1 x Bachelor of Arts (Education)
- 1 x Bachelor of Commerce
- 1 x Bachelor of Business
- 1 x Bachelor of Science
- 2 x Graduate Certificate in Education

3. Workforce Composition

We have two Australian Indigenous members of staff (one teaching and one non-teaching), one male teaching staff and one male non-teaching staff out of a total workforce of 34.

4. Attendance at School

The information below shows staff and student attendance during 2018:

Average student attendance: 92%
Average student attendance Pre Primary: 90%
Average student attendance Year One: 93%
Average student attendance Year Two: 92%
Average student attendance Year Three: 92%
Average student attendance Year Four: 91%
Average student attendance Year Five: 92%
Average student attendance Year Six: 93%

5. NAPLAN Testing

In 2018 at St Joseph's our children sat the National Literacy and Numeracy Assessment (NAPLAN Testing) in Years Three and Five. The following tables show our performance in the NAPLAN testing in 2018. The table below shows the percentage of students who reached the National minimum standard or above.

Year	Reading	Writing	Spelling	Grammar/Punctuation	Numeracy
3	91%	88%	76%	88%	96%
5	90%	90%	90%	86%	83%

6. Parent, student and teacher satisfaction

In September of 2018, we conducted a school climate survey through MMG Education. We received "Very High" overall results from parents (83%), students (80%) and staff (82% for school aspects and 81% for staff aspects).

7. School Income

We recommend for details you refer to the St Joseph's Boulder page on the My School Website <http://www.myschool.edu.au>.

8. Student Destinations

Of our Graduating Year Six class in 2018 we saw them go to the following schools:

- 11 students to John Paul College, Kalgoorlie
- 1 students to Kalgoorlie-Boulder Community High School
- 1 student to Byford Secondary College
- 1 student to Cape Naturaliste College

9. Annual School Improvement Plan

In this section of the report, I will refer to the work we set ourselves in our Annual School Improvement Plan for 2018.

In our Religious Education in 2017, we continued to give particular focus to the teaching of knowledge about our Catholic faith and traditions. This focus is coupled with the faith development experiences we provide for our children throughout the year. As in previous years, our Years 3 & 5 students sat the Archbishop's Religious Literacy Tests. It is clearly evident from these assessments that children who are active in the practice of their faith and have good literacy skills are the students who perform well on these tests. We will continue to focus on the explicit and rigorous teaching of Religious Education into 2019, through pre and posttest analysis for each unit studied. We also focused on Christian Witness during 2018, with all staff members involved in a community service day, assisting at local organisations.

Our efforts to improve matters on the educational front have been tireless and focused this year, as outlined earlier. The staff has undergone explicit pedagogically based professional development to build their skills and understanding in various areas of literacy and numeracy. They continue to be open to learn and strive to improve their practice continually.

One of our aims in 2018 was to further develop social activities to enhance community spirit and engage with families new to the school. The P & F have had an incredible year doing just that. We started the year with a Welcome Back Meet and Greet Evening which was attended by a large portion of the community. This was followed by other successful initiatives including the Movie Night, Mother's and Father's day breakfasts, discos, sausage sizzles, Rainbow Run, and Easter raffle and Bonnet Parade.

Lisa Gallin
